Sheriff's Homicide investigators are continuing their investigation into the shooting death of one male Hispanic juvenile and one male Hispanic adult that occurred on November 28, 2010, on the 7700 block of Otis Avenue, Cudahy.

Deputies from East Los Angeles Station responded to the location following a 'gunshot victim down' call at about 3:20 PM. They arrived to find two male victims (one 18 year old and one 17 year old) suffering from gunshot wounds. Both victims were transported to a local hospital where they were pronounced dead. Their names are being withheld pending notification of relatives.

Witnesses described a male, possibly Hispanic, in a hooded sweatshirt fleeing on foot west on Olive Street. Witnesses also saw a gray or silver colored sedan fleeing west on Olive Street.

Investigators believe it is likely the incident is gang related.
